

Name: _____

3RD GRADE BLIZZARD BAG 1

SUBJECT	DIRECTIONS
Math	<p>Please log into www.studyisland.com and select Blizzard Bag #1. After completing the questions, be sure to submit your test so your math teacher can see how well you did and give you credit for the assignment. Remember, your Study Island login information can be found in your Take-Home folder. After you finish the Blizzard Bag, practice your multiplication facts for 10 minutes. You may do this with flashcards, Fact Master on MobyMax or Fact Dash on Everyday Math.</p>
Reading	<p>For each blizzard bag, open each attachment that is labeled with the blizzard bag number for the day. For example, if blizzard bag one is assigned, open all attachments that say "Blizzard Bag 1". When you open the attachment, you will see a choice board of activities. Complete three activities, one from each column. All activities can be completed on regular 8 1/2 X 11 size notebook or computer paper.</p>
Science	<p>Please log into www.studyisland.com and select Blizzard Bag #1. After completing the questions, be sure to submit your test so your Science teacher can see how well you did and give you credit for the assignment. Remember, your Study Island login information is the same as A.R login and password.</p>
